CaterBraid Premium Gas Hose

CaterBraid is a premium high quality fully braided commercial kitchen gas hose for restaurant appliances using Natural Gas or LPG. Manufactured from 304 corrugated stainless steel tube and woven with a layer of stainless steel braiding to give extra strength and flexibility for longer life.

AVAILABLE IN 1/2" AND 3/4" IN LENGTHS OF 1000, 1250 AND 1500MM LENGTHS

Trade Prices

1/2" 1000mm: £23.00

1/2" 1250mm: £27.00

1/2" 1500mm: £31.80

3/4" 1000mm: £30.51

3/4" 1250mm: £35.77

3/4" 1500mm: £40.66

*All prices are subject to VAT

The CaterBraid gas hose range has been specially developed for the commercial gas industry, in particular the commercial catering kitchen. They feature a fully braided design encased in dipped yellow PVC sleeving making it easily identifiable and easier to wipe clean. All CaterBraid Gas Hoses have been type tested by BSI to BS 669 PART 2: 1997.
