NEW LIVE ONLINE TRAINING

Get the benefits of face-to-face training without leaving your home with Live Online.

Live Online course delivery is available for all in-house courses and a limited number of public courses.

**All our courses are shown at:
callsafe-services.co.uk/training-courses**

The courses are taught by a tutor just as they would be in a classroom. Delegates join the course remotely using their own device and can interact with the tutor and other delegates in real-time. No software is required – only web access.

For live online in-house training contact:
gemma.esprey@callsafe-services.co.uk

We are currently running public live online courses in
**APS-accredited
CDM2015 Awareness**

Courses include:

- Professional virtual training with a qualified tutor
- Presentations, videos, group, individual & practical exercises
- All handouts & supplementary information
- Course validation
- Accreditation fee (where applicable)
- Electronic certificate on passing the course

Public LIVE Courses: callsafe-services.co.uk/live-training

Environmental Manual

Pub: CIP
Code: CENVMAN
ISBN: 9781852631208

£225.00

The Environmental Manual is the leading sector publication on environmental issues within the construction sector. Providing a concise summary of environmental legislation, policy and best practice from design to construction delivery. Providing members from across the sector with a one stop shop resource for remaining compliant with environmental legislation. The manual covers 16 core topics ranging from design, procurement, ecology, contaminated land, waste and energy as well as incident management procedures and best practice.

Construction and the Environment Training DVD

Pub: CIP
Code: CONENVDVD

£24.99
+VAT

This DVD provides site operatives with an overview of the environmental issues faced on a construction site. This overview should assist in maintaining compliance with the law, avoidance of environmental incidents and the promotion of good environmental practice. It consists of four separate modules, and the pack contains guidance notes to help guide the presenter through the film and offers suggestions to help the audience get the most out of the film.

Environmental Manual CD ROM

Pub: CIP
Code: CENVMANCD
