

## NOTICE BOARDS

Top quality, external grade, notice boards are available in powder coated aluminium, oak or soft-wood. This leaflet gives prices for our most popular sizes—please request a quote for other sizes.

### ALUMINIUM NOTICE BOARDS

Aluminium notice boards are supplied with a unique integrated hinge that is warp proof and allows the door to be replaced in the event of major vandalism. Doors are lockable, water proof, supplied with anti- condensation vents and supplied with shatterproof polycarbonate. All aluminium notice boards are supplied with magnetic backers, but cork board is an option.

The standard colours for aluminium notice boards are

RAL 9006

RAL 6005

RAL 5010

RAL 3004

RAL 8017

RAL 9005

*These colours are a guide only—colour charts are available.*

Notice boards can be wall mounted, post mounted and supplied with header panels. Header panels are priced as vinyl lettering but printed and cast options are also available. Ball finials are also available, prices below.

Please request prices for other sizes, twin door, integral units or decorative styles.

## TIMBER NOTICE BOARDS

Timber notice boards are produced in Accoya, which is a robust and stable timber option from FSC suppliers. Timber notice boards are hinged, lockable, glazed with shatterproof polycarbonate and supplied with a cork pinboard. All are supplied with vents to help minimise condensation.

Accoya notice boards are normally oiled. Please remember that all timber will weather down and develop a silvery sheen over time – this is a natural process.

Timber notice boards can be wall mounted, post mounted and supplied with header panels. Headers are normally routed, with indented text.

*This table gives prices for our most popular sizes but please request prices for other sizes*

Sheets of A4 displayed	4	6	8	18 (2 door)
Approx visual area (mm)	594 x 420	650 x 650	841 x 594	1189 x 841

## HOW TO ORDER

For most clients we prepare a formal quotation—this will cover information about size, quantity and what fixings are required. You can email this information or call us on 01743 460996 to discuss. We can accept instructions to proceed by email and normally raise an invoice when the signs have been despatched.
