TRAINING & ADVISORY LTD

Course Title	"Basic Life Support Plus "
Sector	Ambulance Community
Who should attend	Staff who are required to respond to potentially life threatening emergencies in the workplace.
Course Duration:	3.5 hours
Number of Delegates	Max of 12 delegates per session

Course Introduction:

This course has been designed to ensure you have staff that are confident and competent to deal with life threatening emergencies. This highly practical course centres on training staff to recognise and manage life threatening situations. The content is line with current U.K. Resuscitation Council protocols in 2021 and incorporates H.S.E guidance that all staff being trained should also know how to use an Automatic External Defibrillator.

Course Aims:

- To enable the employer to comply with the need to have a trained person to provide basic life support skills in the workplace.

This course has been designed to equip the learners with the knowledge, skills, and confidence to manage life threatening emergencies in the workplace.

What Delegates Will Learn:

- ☑ The role and context of BLS.
- ☑ How to respond and apply the principles of DRABC.
- ☑ How to manage an unconscious person both on the ground and in a chair.
- ☑ How to perform Basic Life Support single handed and in pairs to include the use of an automatic defibrillator.
- ☑ How to control bleeding including use of dressings.
- ☑ How to manage choking.
- ☑ How to recognise and manage a heart attack and stroke (FAST test)
- ☑ How to deal with the aftermath of an incident.

Special requirements of course participants:

Must be able to demonstrate CPR on a manikin at floor level

Certification/Accreditation:

On successful completion of this programme participants will receive a certificate of completion or optionally a certificate from our awarding body Q.N.U.K. endorsed by OFQUAL (additional £10 per delegate certificate)

Course Trainers:

Solutions first aid training team only come from NHS ambulance paramedic tutor backgrounds with at least 22 years real world experience using learner centre methods of training.

Solutions Proposal of Costs:

The fee for this 3.5 hours course to accommodate up to 12 delegates is £675 (ex VAT). If want to add the optional QNUK Basic Life Support Award this would be an additional £10 per delegate
