

A blue spray bottle is shown in profile, facing left. The bottle is semi-transparent, and the background is a solid blue color. The spray trigger and nozzle are visible. The text 'ALCOHOLS AND DISINFECTANTS' is overlaid in white, sans-serif font.

ALCOHOLS AND DISINFECTANTS

CES have access to a wide range of cleanroom alcohols and disinfectants, the most popular of which are shown in this section.

Our own brand Microzone alcohols combined with the Cleanguard & Steris disinfectants provide a solution to meet the cleaning challenges in all cleanroom and aseptic classes.

ALCOHOL AND DISINFECTANTS

Cleanroom Alcohol

Our own brand Microzone alcohols are designed to meet the key challenges in a cleanroom environment and are available in either 5L RFU container or 950ml trigger sprays. An extended range of liquid alcohol products is available on request.

Microzone IPA & Ethanol, 70% alcohol solution manufactured with 30% Water for Injection, ideal for sanitising of work surfaces.

Part Number	Description	Sterile	Size*
ZNAL-64950	70% Iso Propanol Solution, 30% WFI Trigger Spray	Option	950ml
ZNAL-64005	Iso Propanol Solution, 30% WFI RFU container	Option	5 Litre
ZNAL-65950	70% De Natured Ethanol (IMS), 30% WFI Trigger Spray	Option	950ml

WFI = Water for Injection grade water

* Due to shipping restrictions minimum order of case quantity may apply

Cleanroom Wipes Alcohol Pre-Saturated

Pre-Saturated cleanroom wipes are a convenient method to make cleaning and wiping tasks easier, safer and quicker than applying a separate solution. Different substrates and cleanliness levels are available to adapt to the various grades of environment.

- Satpax670**, convenient low cost sanitising wipes
- Satpax3000**, sealed edge 2-ply polyester for critical environments
- Azo Wipes**, ideal for surface sanitising in laboratories
- VeriGuard**, hard surface wipes with IPA & WFI

Other variants and brands available.

Part Number	Description	Size	Quantity
SPX6700911	SatPax670 Polyester / Cellulose, 70% IPA, 30% Di	9" x 11" / 23cm x 28cm	50
SPX3000	SatPax3000, 2-ply Polyester, sealed edges, 70% IPA, 30% Di	9" x 9" / 23cm x 23cm	30
