

# Solve your dog waste problem

## The Healthguard® range of bins

Earth Anchors' dog waste bins have been used by councils and local authorities for more than 25 years. The Healthguard® (HGN) range of bins are vandal-resistant, tough, durable and easy to install in all locations. The dog bins, like all Earth Anchors' products, provide excellent value for money.

### HGN Easy-Chute

- For full details on the new HGN Easy-Chute please see reverse side
