Allvalves Online Pricing Structure explained:

The prices shown within this document and for the products shown on the website for this range are List prices which are eligible for a discount to be applied based on two things;

- 1 - You must be logged into our site to see the discounts available for the product you are looking at.
- 2 - The more you buy the more you save, the discount is quantity based due to the fittings being sold as box quantities.

To sign up for an account today - [click here](#)

*Please note that if 'No' discount is showing for the product of choice, this item has been priced as special net prices.

Payment Options:

You can securely purchase the required items through the following payment options:

- 1 - **SagePay** secure payment system. Payment taken online using your Visa / Mastercard debit or credit card.
- 2 - **Paypal**. Use your Paypal account to pay for the goods you require.
- 3 - **Proforma Invoice** - If you would prefer us supply you with a proforma invoice this can be done by contacting the sales team on the details below. This can be paid by cheque, BACS or card payment over the phone.
- 4 - **30 Day credit account** - If you would prefer to setup a 30 day credit account this can be done by completing our Account Application form (available on request) we then carry out a Risk Disk credit check on your company. You can then place orders at ease either online or by contacting the sales office. If you choose online, when you log in, the account is setup for 30 days. You checkout as usual but the order will come through to us with no payment being taken at that stage.

DID YOU  **KNOW Explained**

Around the website you will see the following icon  by clicking on this icon, additional information about the item you are looking at will appear such as stock availability for this item.
