

Secondary Axle Stand Range

For Static Caravans,
Lodges & Mobile Homes

Proudly made in the Black Country. UK

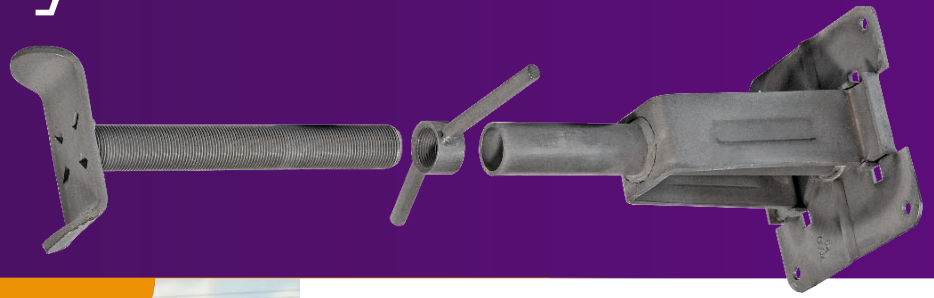

APPROVED

Secondary Axle Stand

Range

5000 - 8000kg

A correct, safe solution to supporting and stabilising your static caravans, luxury lodges and mobile homes.

Designed to fit under any luxury home to give a precise level of adjustment. Made in the UK from high quality steel. Covered with our most advanced protection yet. Our **Astec 3000** finish for superior corrosion and water resistance. Significantly more environmentally friendly than any other coating. The ultimate peace of mind to ensuring your home from home is safe and secured.
