

Unisto Emergency Seal & Sash

Security seal and sash system for push bar type emergency exits.

Uniquely numbered for audit purposes the seal has a break strain less than 8kg and is fully compliant with fire regulations.

Sash is manufactured in reflective material providing maximum visibility in poor light conditions.

Supplied in cartons of 1,000 seals with 30 reusable sashes

For further information please contact Simon Callari or Kirsty Stewart on 01483 209100 or e-mail sales@unisto.co.uk
