PICK YOUR PRINT COLOUR

For orders requiring printed text or a single colour logo only, please choose from the following colours.

For orders requiring a printed logo, please refer to the 'Get a Quote/How to Order' section of this flyer.

GET A QUOTE/ HOW TO ORDER

Ordering your book bags is easy!

Simply email the following to sales@sportec.co.uk:

- 1) Your **contact details**, including a **delivery address**.
- 2) The **colours and quantities** that you'll be requiring.
- 3) An image attachment of your **school logo** or **school name** along with the desired **print colour** you'd like your order printed.

If attaching a logo, it is important that the image you provide be of a high resolution to avoid any pixellation.

Ideally, your image should be a vector image set as a CMYK file with a 300dpi resolution.

We can accept the following image formats: EPS/JPG/PDF/PNG/TIFF.

Once we have received all necessary information, we will promptly follow up with a quote based on the information provided. From there we will also provide a visual mock up of how your order will look like before any progress in production is made.

Once the visual has your approval, we will email you an order acknowledgement with our payment terms for your attention.

Please note, we will only accept orders at a minimum of 20 book bags.

Delivery costs £7.95 + VAT. Free delivery for orders of 50 bags or more!

Please allow up to an estimated lead time of 7 - 10 working days for us to complete and dispatch your order from the date of visual approval.

For any additional information, please feel free to contact us!
