GET A QUOTE/HOW TO ORDER ordering is easy!

Simply email the following to sales@sportec.co.uk:

- 1) Your **contact details**, including a **delivery address**.
- 2) The type of vest you require. (**Plain or Sublimated** - please quote design name)
- 3) The **sizes and quantities** that you'll be requiring...
- 4) ...along with their corresponding **colours**.

For sublimation orders, please feel free to provide any cmyk or pantone codes to better accurately match your school's colours.

- 5) Attach any **logos for branding** that is required on the vest.

If attaching a logo, it is important that the image you provide be of a high resolution to avoid any pixellation.

Ideally, your image should be a CMYK file in a vector format with a 300dpi resolution.

We can accept the following image formats: EPS/JPG/PDF/PNG/TIFF.

Once we have received all necessary information, we will promptly follow up with a quote based on the information provided. From there we will also provide a visual mock up of how your garment will look before any progress in production is made.

Once the visual has your approval, we will email you an order acknowledgement with our payment terms for your attention.

Please note, we will only accept orders at a minimum of 10 vests.

For any additional information, please feel free to contact us!
