

Highly versatile wooden

CLADDING

Unparalleled creative potential

Accoya® sets the benchmark in wood for performance, finish and sustainability, giving architects and manufacturers new design freedom for wooden cladding.

- › **Wide boards available**
Giving your customers the design flexibility they desire.
- › **Maintains original form and shape**
Thanks to Accoya's stability, you'll spend less time achieving a quality finish and encountering problems at installation and in service.
- › **Appearance options**
The Accoya surface is particularly suited to a wide range of texturing options through sawing, brushing and charring. Or a combination. It's stability means black coatings are achievable with Accoya.
- › **Opportunities for adding value**
You can offer your clients a wide choice of coatings for different looks and enhanced performance.
- › **Sustainably sourced**
Offer your clients the truly sustainable choice they need to meet global environmental challenges.
