# Fabric Collections

## Tatton

Tatton is a colour woven textured fabric, offering natural simplicity with tonal interest. This fabric offers an extensive colour palette echoing nature and the tropics, with a rugged feel. Inherently Flame Retardant makes this fabric an ideal choice for contract curtains and bedding.

## Eros

Our Eros collection of Inherently flame retardant ready quilted fabric is ideal for bedding accessories, which not only eliminates the need for adding wadding, but also brings time and cost savings during the making up process being 270cm wide.

With the added benefit of meeting BS 7175 and available in an array of versatile colours.

## Shimmer Voile

Shimmering metallic's mix effortlessly with cool clean ice white and cloudy naturals, while design is kept beautifully simple yet with covetous, intricate detail which invites touch and movement. Shimmer is flame retardant to full UK and international standards.

Please note that due to the light weight of all our FR Voiles that images are on a grey background and it is recommended that colour swatches are requested.

## Valencia

Our Upholstery ranges include "Valencia", a vibrant and versatile fabric colour woven for structural stability. With a selection of 13 colours, Valencia is suitable for severe contract use as upholstery and it co-ordinates perfectly with all our Collections.

## Kudos

FR Dimout an Inherently flame retardant textured woven dimout offered in 150cm & 300cm widths. Check out our new 19 colour palette where there will be a colour suitable for any end use.

## Lynx Blackout

We are pleased to offer several different designs in our decorative blackout fabric range, Each design offers a different texture and finish, whilst all create a luxurious and timeless appearance to finalise any contract project.

All fabrics offer essential light exclusion and have a fluorocarbon finish giving a luxurious soft handle and creating great drapability. This fabric can be used as a lining to offer a decorative view from all angles, both the outside and face fabric.
