

Sens-Ex™ Tyvek®

Bed or Chair Proximity Sensing Mat

The lowest cost replacement sensor in the UK?

- ▶ Ultimate Patient/Resident Comfort
- ▶ Super Durable
- ▶ Extraordinary Economy
- ▶ Exceptional Ease of Use
- ▶ Connects easily to Nursecall systems

Thinnest mat on the market

Paper thin woven fibre texture, undetectable to patient/resident

The only moisture vapour permeable mat on the market means patient/resident stays much drier

Hypo-allergenic - no vinyl, latex, foam, glues etc.

Rip/tear resistant (easily cut to size with scissors)

Unaffected by creases, folds or punctures

Flat sheet printed construction

Lowest initial cost

No weight restrictions

Eliminates false alarms

Works on air support services

Adhesive pad attachment - no clips or bands required

Uses low cost permanent use
Connex® adaptive cable system

Easily connects to any brand monitor
