01. Who are we and what do we do?

Steelwork Experts in Fabrication, Installation and Maintenance

Blackburn & Co. Ltd is a professional metal works company with over 20 years experience. We specialise in **fabrication, installations, maintenance, repairs and servicing** of a wide range of **metal work**.

Our expert set of skills and know-how means we can provide numerous high-quality metal products to suit your project's needs.

We benefit from third-generation experience within the metalwork industry and we have the facilities to offer competitive rates to install the work you require. Our product list is extensive and includes:

Structural Steelwork

Staircases

Handrails

Balustrades

Balconies

Fencing

Gates

Railings

**Cutting and Folding
Services**

CAD Drawings

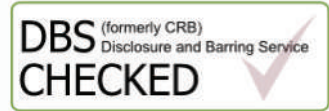

02. Our values and Health and Safety

Your single point of responsibility

We have a genuine commitment to **Health and Safety**, and this is proven by our **Constructionline Accreditation**. We have a highly qualified workforce of operatives and our team includes multiple **SMSTS** and **SSSTS** management staff, Appointed Persons and Site Engineers.

05. What our clients are saying?

What our clients are saying?

"Kris from Blackburn & Co. Ltd is professional and very helpful, always going above and beyond to make sure we were happy with every stage of the installation."

JAMES GREEN

"Having been in the building trade myself I found these workmen to be very hard working and helpful."

CUSTOMER IN DAGENHAM

"I have been dealing with Kris Blackburn for nearly 10 years and I have always had a reliable service which has exceeded my expectations for the products and services he provides."

HUGH BOYNE

"Worked with them for years, since they began. Anyone who hires them will be extremely impressed by their work. They're masters of what they do."
