

# 15K-RE Permanent Rare Earth Tube Magnet

**ERIEZ  
Strongest  
Tube**

Now **25% stronger**  
than Xtreme™ tube  
on Gauss

**PROGRADE**

## Standard Features

- Maximum Magnetic Strength on the surface is over 15,000 Gauss
- All 316 stainless steel construction
- Glass bead surface finish
- M6 Tapped ends
- Available immediately from stock

Eriez Tube Magnets provide effective protection against fine iron and tramp metal contamination in dry or wet applications.

Having tapped ends makes them simple and easy to install and they can be easily moved from one location to another.
