

Product Range Overview

With over 40 years manufacturing experience dedicated to the material handling industry, we have an extensive range of forklift attachments to choose from.

Here is a quick overview of our most popular attachments.

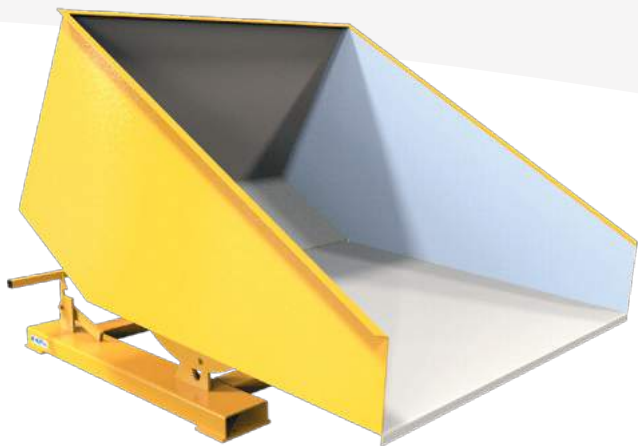

Waste Handling

Tipping Skips – Keep working areas clear and allow speedy removal of scrap or rubbish.

We also offer:

- Base Emptying Stillages
- Wheelie Bin Handlers

Access Equipment

Access Safety Platforms – Allows for safe working at height during emergency and un-scheduled work such as light bulb changing, gutter repair etc.

We also offer:

- Goods Transfer Platforms
- Emergency Rescue Platforms
- Crane Slung Platforms

Lifting

Jibs – provides longer reach for picking up products that are difficult to palletise.

Hooks – cost effective way of hanging a load under the forks of the lift truck.

We also offer:

- Spreader Beams
- Fixed & Extendable Jibs

Drum Handling

Drum Grabs – Ideal for low to medium volume movement of drums around the factory or store.

We also offer:

- Drum Rotators
- Drum Tongs
- Pedestrian Drum Trucks

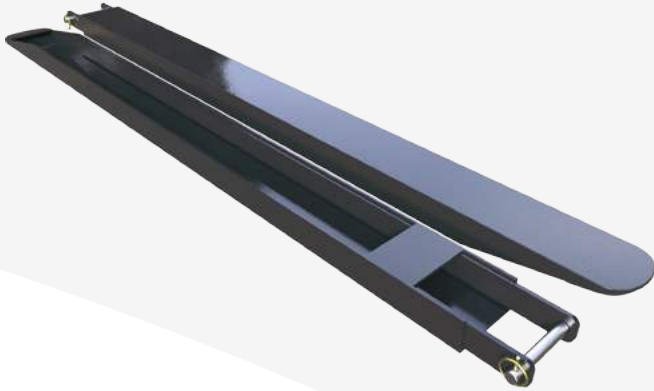

Load Carrying

Fork Extensions – Allows safe and stable handling of loads which are longer than the forklift forks.

We also offer:

- Forks
- Wide Load Carriers
- Fork Protection Sleeves
- Magnetic Fork Covers

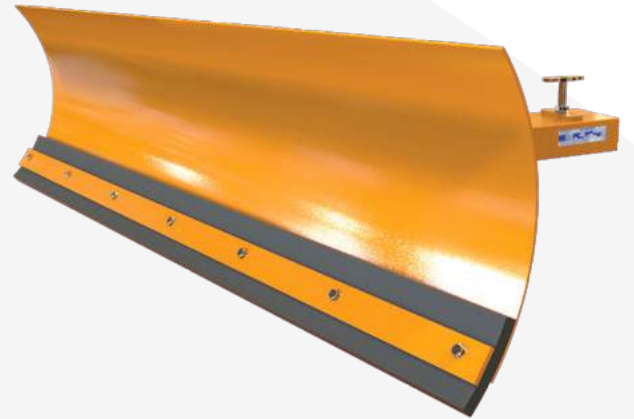

Winter Maintenance

Snow Ploughs – Quick and convenient, turns your forklift truck into a mobile snow clearing machine.

We also offer:

- Towable Salt Spreaders
- Pedestrian Salt Spreaders
- Snow Socks

Other Attachments

Sweepers

Scoops

Gas Cylinder Handlers

Big Bag Handlers

Not Forgetting...

...Carpet Booms, Pallet Rotators, Lifting Gear Equipment, Telehandler Attachments, Agricultural Attachments + More

Customer Service

We are only a phone call or email away if you need any further assistance with your order, from:

- Invoice & delivery queries
- Technical advice & guidance
- Health & safety queries

On Site Product Training

Our team can provide product training on your new attachment, so you can rest assured that we:

- Are ITSSAR & NPORS accredited
- Provide a nationwide service
- Have certified evidence of training
- Offer 90 minute cost effective sessions

Thorough Examination Renewal

This is an important HSE legislation, and as a forklift attachment owner, you're required to undertake LOLER testing by law, even if it's under warranty. We:

- Are CFTS accredited inspectors
- Comply with LOLER 98 & PUWER 98 legislation
- Provide Thorough Examination certificates
- Provide full Thorough Examination report documentation
