

# Wireless Nurse Call installed Nationwide

Aid Call has been leading the way in the manufacture of wireless nurse call technology for over thirty-five years. They offer a wide range of products and bespoke solutions designed specifically to meet the needs of care homes, care centres and hospices. A wealth of industry experience, a focus on development and innovation and a reputation for delivering safe and powerful solutions secures Aid Call's wireless Nurse Call solutions as the best on the market.

## The Touchsafe Pro

Our newest innovation, the Touchsafe Pro, is an essential component of any care establishment. Building on the success of our Touchsafe range, the Touchsafe Pro has been designed to heighten staff productivity and better coordinate call responses in order to provision for more efficient, person-centred care.

With new user-friendly touchscreens to further improve usability, increased flexibility to accommodate changing resident requirements and innovative features to increase functionality, the Touchsafe Pro is our most advanced system yet.

**Twenty-five year call log history**

**Antimicrobial**

**Leasing options**

**Next-Call-Waiting at the call point**

**Medication reminders**

**Staff identification by name**

**Staff training**

**Three year standard battery life**

**XBee mesh network**

**Reassurance light**

**Nurse presence**

**Pear Push lead and accessory sockets**

**Silent system**

# Supporting over 100,000 residents nationwide:
