

Nurse Call Accessories

Pear Push Lead

The Lotus Push to Call lead has been adapted for simple use and ergonomic feel. This Nurse Call lead can be made to any size although it comes in a 3m length as standard. Most connectors can be fitted to the 'Plug' end of the lead, so that it will be compatible with your Nurse Call system.

2 Into 1 Adapters

Our 2 Into 1 Adapters are simple... They do exactly as it says on the tin! Coming in the form of Stereo or Mono they allow two different devices to plug into one unit! This then means you can plug more products into a call system and still make a call.

Pear Push Lead
