

Noticeboards

Stocksigns offers a range of noticeboards for interior and exterior use. They can be wall-mounted or post-mounted, single- or double-sided. The wide range of finishes and designs enables the products to be used in both rural and urban environments and can be adapted to suit existing signage and street furniture if required.

All the noticeboards are lockable, weather-proof, and come in a number of standard sizes and colours. Accessories include magnetic poster holders, pinboards and illumination.
