

EXPERIENCED, TRUSTED & RELIABLE

Food packaging experts

NOW CELEBRATING 30 YEARS OF TRADING

Caterbake Packaging Ltd an ISO 9001:2008 registered company was founded in 1990 and is one of the largest national and international specialist distributors of aluminium foil containers in the U.K to both the private and public sector.

We hold an extensive stock in our warehouse, ready for immediate dispatch. And thanks to our fantastic supplier relationships, if we don't have what you need in stock, we'll source it extremely fast. If you can't find the packaging to suit your needs, just give us a call and our helpful team of experts can give you advice and find the right solution for you.

FROM THE SMALLEST FOILS TO MULTI-PORION CONTAINERS

Caterbake purchase from all of the major manufacturers in the UK and also import from Continental Europe, USA and the Middle East. We can boast a range of containers that is second to none, from the smallest foils used in the bakery sector right through the spectrum to very large multi-portion containers for the catering industry. In fact we probably have one of the largest ranges of containers available.

Specialising almost entirely in foil containers and with over 35 years experience, we have a vast knowledge of the industry and are confident that with the very high quality of service and product we offer we are able to meet most needs.

WHY CHOOSE CATERBAKE?

- ✓ Extensive product range
- ✓ Fast delivery
- ✓ UK based with stock ready to ship
- ✓ Specialists able to advise the best packaging for your needs
- ✓ Established for over 35 years

NEW TO CATERBAKE PACKAGING?

Not already using Caterbake Packaging for all your packaging needs? Get in touch with our friendly team today and we'll talk you through our fantastic range and explain our fast and efficient ordering and delivery process.

A line drawing of industrial machinery, possibly a conveyor system or a material handling unit, is shown in a light gray tone against a darker gray background. The machinery consists of a base with two main sections. The left section has a flat top surface with two circular holes. The right section features a large cylindrical component, likely a roller or a motor housing, mounted on a frame. A handle is visible on the top left. The word "MACHINERY" is written in large, bold, white capital letters across the center of the image, overlapping the machinery drawing.
