School Furniture Case Studies

“

*With over 30 years' experience in providing turnkey solutions, **InterFocus** will ensure your next refurbishment or new build classroom project finishes on time and within budget.*

Chris Cannon

Managing Director, InterFocus

InterFocus is one of the countries leading manufacturers and suppliers of laboratory and educational furniture for schools and colleges across the country

With our many years experience of commercial laboratories, we have been able to transfer this knowledge into our Science Classroom range for the education market. Our new facility enabled us to not only produce the highest quality products but to ensure we continued to offer a complete turnkey and furniture installation service that is second-to-none.
