# Wiring Duct Cutter DC 125

## For fast, accurate cutting of wiring ducts to length

The **DC 125** cuts wiring ducts with angular precision, burr-free. No retouching or subsequent machining is required.

Your workplace remains clean at all times because the cutting does not produce any chips.

The **DC 125** operates noiselessly without emissions.

Thanks to its optimised cam drive, the force required for cutting the wire ducts is low.

The 1 m long scale with length stop ensures cutting to length with millimetre accuracy.

The hardened cutting blade has a cutting width of 125 mm.

A folding blade guard ensures safe operation.

The **DC 125** has been TÜV-tested.

## Technical data DC 125

Cutting width:	125 mm
Length stop:	1000 mm max.
Dimensions (lxwxh):	1290 x 290 x 760 mm
Weight:	10.5 kg
<b>Article no.:</b>	<b>DC 125</b>
