

## Loepfe Z-283 Application

The Z-283 can be used either as a normal table marking device with a foot pedal, or it can be connected to a stripping machine.

The existing interface allows the connection to products by different manufacturers.

Wire straightened, foil rewinding system and wheel lock are add-ons that allow for large series production.

### Technical Data

#### Number of Printing Wheels

Character Height 1,2 mm to 2,3 mm 24 pieces

Character Height 2,5 mm to 4,0 mm 16 pieces

#### Working range cable outer- $\varnothing$

cable  $\varnothing$  minimum 1,0 mm

cable  $\varnothing$  maximum 12,0 mm

#### Signs per printing wheel

Character Height 1,2 mm

bis 2,3 mm 28 signs (Standard)

Character Height 2,5 mm

bis 4,0 mm 20 signs (selectable)

#### Number of Markings per foil 25'000 to 40'000 markings

#### Foil type

Available in different colours and quality

#### Dimensions

380 x 260 x 220

#### Weight

8,200 kg (18.0 lbs)
