ABOUT TIMESCO

Timesco Healthcare Ltd have over 50 years' experience as manufacturers of medical instruments. As a worldwide provider of podiatry instruments, we are an established and highly recognised supplier. We conform to ISO 13485 and all of our instruments go through a highly stringent quality control process.

We have an excellent reputation for quality reusable instruments and our Social Nail Care products are a low cost, yet good quality range of instruments; designed for single patient use, as an effective alternative to reusable and single use instruments.

If you require any further information about Timesco and our extensive range of products, please contact our dedicated sales team on:
