THE LOWEST PRICED 'BUTTON TYPE' TOURNIQUET AVAILABLE VIA NHS SUPPLY CHAIN

Description	NPC Code	Timesco Code	Price (inc VAT)
Single Use TourniButton Tourniquet (Material: TPE Band Band Size: 385mm x 23mm)	FWJ103	D80.200	£10.34 (box of 100)

SWITCH & SAVE

The TourniButton is a quality product offering savings when compared to other single use tourniquets available on the market.

EASY TO USE

The TourniButton is easy to reposition & tighten, featuring a simple single-handed release for quick removal.

PROTECTION FROM CROSS-INFECTION

Single use tourniquets are recommended to protect against cross infection as it is effectively impossible to disinfect reusable tourniquets.

PATIENT COMFORT

The latex free TourniButton uses a soft, elasticated material for patient comfort and can be conveniently joined together for larger arms.

Available via NHS Supply Chain: www.supplychain.nhs.uk or contact Timesco on **01268 297 710**
