Healthcare Essential

Special Offers and BULK BUYS on your equipment essentials

HEALTHCARE ESSENTIALS!

NURSING CONSUMABLES

Paper Products and Toiletries

At Andway Healthcare we supply from stock an extensive range of quality great value nursing consumables. Our ranges of affordable and effective 'Pure' Paper Products and Toiletries include all that you will ever require for the efficient running of your Care Home and your resident's needs. Dispensers are available for many of our products.

HYGIENE AND CATERING

We supply a comprehensive range of Hygiene and Catering products and accessories, specially selected for Care Homes, helping to ensure a perfect clean each time. Our "Atlantis" product range is well known for performance, quality and value. All products are available with COSHH data.

NURSING EQUIPMENT

Pressure Care Products

At Andway Healthcare we strive to ensure all your residents are provided for, by stocking a large range of Pressure Care Products from “at risk” to very high risk. With our products we aim to provide maximum patient comfort whilst achieving optimum pressure relief. We also supply a comprehensive range of Nursing Equipment for all situations from your large equipment requirements to small ADL items, from a complete sluice room to a simple pill splitter. We provide products for bariatric residents and for acute medical conditions.

FURNITURE

Care Home Interiors

Offering you the complete furnishing solution, the furniture designed and manufactured in the UK to suit your needs and meet your requirements. We work with your project team to ensure that appropriate products, designs and fabrics are selected from our extensive ranges to ensure you create the desired environment for your clients. Our comprehensive Installation service ensures you achieve an on-time and on-budget project down to making the beds if this is what you need.

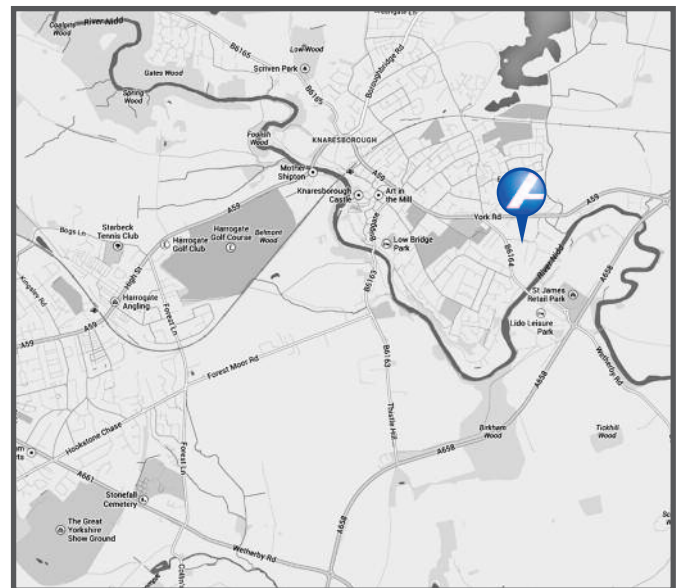

SERVICING AND REPAIRS

Our engineers are available within 24 hours of your call to attend to your equipment breakdowns; each engineer carries a large range of spares on the van to enable us to get you up and running as fast as possible. We can arrange for loan equipment if repairs cannot be made immediately or where items need to be repaired in our workshop.

We look forward to hearing from you!

“...one of the leading suppliers in the most centrally located area...”
