Available in custom sizes made to order (minimum order quantities apply).

Each set consists of:

- 2 aluminium rails (20mm wide) with grey swivel end caps and poster/banner grippers (2 or 3 per rail depending on size)

- Sliding hangers on the top rail (can be used for wall mounting)

Remove clip from rail...

...push onto poster...

...and insert back into rail

SNAPFRAME RAILS WITH BACK PANELS

These 'special snapframes' consist of two 25mm profiles mounted top and bottom to a formed steel back panel, creating a simple but stylish poster display.

Snapframe Rails with Back Panels can be made to virtually any size and in any RAL colour (silver anodised as standard). All Snapframe Rails with Back Panels are made to order.

★ Aluminium snapframe rails and steel back panels are fully recyclable
