

Isla Components Ltd - WIPER BLADES YOU CAN TRUST!

Here at Isla Components, we have been manufacturing and supplying a range of **wiper components** out of our Midlands based facility since 1993. Starting out predominantly supplying the OES truck and bus market, we soon expanded our product range to complement this and now import a wide range of **wiper blades** through our Turkish supplier Silbak.

With extensive knowledge in the wiper blade market, why not ask us for more information on the **ranges you can stock** and the great pricing on offer.

- ⇒ Conventional Wiper Blades
- ⇒ Multi - Direct Fit Wiper Blades
- ⇒ Direct Fit Wiper Blades
- ⇒ Retro Fit Wiper Blades
- ⇒ Hybrid Wiper Blades
- ⇒ Rear arm and blades

Look out for further information on the various ranges soon. However, if you cannot wait to find out more then please get in touch, we would be only too happy to have a chat with you.
