

PULLBOX

PREPARATION - STORAGE - TRANSPORTATION

Meet our innovative range of PullBoxes. The PullBox food container is a perfect solution for preparing, storing and on the go meals. The patented opening and closing system provides an airtight, vacuum like seal that is 100% leakproof. The lid allows you to keep ingredients fresher for longer and makes the container great to use for transporting food as well.

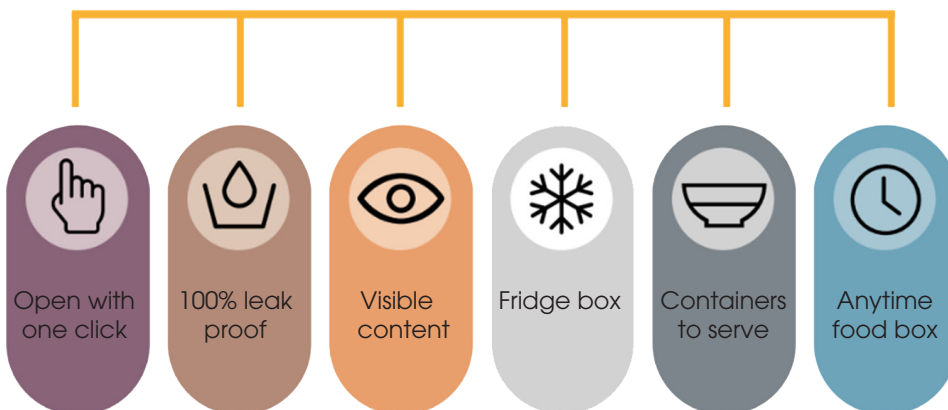

Ergonomic design - Easy open lid in just one click.

Environmentally friendly - Reusable & 100% recyclable.

Leakproof seal - No spillages, even if not placed flat.

Multifunctional - Bowl is microwave safe, so perfect for storage, reheating & serving.

Practical - Dishwasher (to 55°C), freezer & fridge safe.

Available in a range of shapes & sizes.
