Manufacturing

Huck Nets has been at the forefront of rope and net manufacturing since 1963. We are recognised globally for our technological advances and in particular for pioneering knotless netting which is stronger and easier to handle than traditional knotted netting.

Nets do play a major role in many sports and we are proud that our sport netting has been used at many major events throughout Europe and is widely appreciated by players, coaches and sports lovers. The same high quality netting is used extensively through the UK in sports halls, sports stadiums and schools for all ball games including football, cricket, hockey, golf and tennis.

Manufacturers of Nets for Cricket

Our cricket nets are manufactured in a knotless construction from high tenacity polypropylene which gives the following advantage:

- Hard wearing net meshes have a great resistance to wear and high shock absorption capacity
- Easy to install due to lighter weight
- Aesthetically pleasing
- The netting is of interlocking design and cannot be displaced so is of a precise mesh size.
- Very little abrasion and extremely chafe-resistant
- Meet the latest UK & European quality standards

As manufacturers of netting we can produce nets to any size which is particularly useful if you are looking for a replacement net for an existing installation or system.

Special Size Netting

- Available in Black, Light Green, Dark Green, Blue or White
- Vertical or roof nets
- Cut, trimmed and finished to size required
- Sold and priced by the square meter (see page 6 for more details)

**Netting can be manufactured to fit all unusual shapes and sizes too!
Please call 01308 425 100 to discuss**

For standard netting lengths see page 4

For stop ball netting see page 7

Welcome to our 2015 cricket catalogue packed with all the cricket netting and essential ground equipment that you will need to get your season off to a great start.

We are proud to supply cricket clubs of all levels from local teams to county sides. As a manufacturer of netting we can supply practice and protection netting, whether new or replacement, to exact requirements and to any size. We can also provide you with a complete installation service for both indoor and outdoor netting delivered by our specialist installation team. Alongside manufacturing and installation we offer a complete portfolio of ground and club equipment necessary for practice and match days.

All of our products within this catalogue, alongside regular special offers, can be browsed and purchased from our e-shop online at www.huck-net.co.uk. Alternatively you can contact me and my team by phone on 01308 425100 or email sports@hucknetting.co.uk. We are here to help and answer any queries that you may have.

We look forward to helping you prepare for the new season

Best regards

0992	25m x 4m	£275.00
OTHER SIZES PRICED ON REQUEST		

Lightweight Model

Code	Description	Price
0994	25m x 4m	£62.50
OTHER SIZES PRICED ON REQUEST		

All Sizes Available - As we are manufacturers as well as suppliers we can supply our netting products to any size. So if you cannot see the size you require please call 01308 425100 or email sales@huckcricket.co.uk for a quote.

Weasel

The Weasel is designed for de-compacting, and breaking up soil into a tilth, both for cosmetic reasons, allowing in air and moisture, or for use when re-seeding damaged or worn areas.

- Weight: 1.80kg

Code	Description	Price
35100	Weasel	£94.50

35110

35100

Hedgehog

The Hedgehog is designed for use with localised aeration of fine turf, and for overseeding. Although the design of both tools are very similar they are both very well suited to completely different applications.

- Weight: 1.80kg

Code	Description	Price
35110	Hedgehog	£94.50

Levelawns & Lutes

A full range of Levelawns (or Lutes) are available for use on fine turf areas. The smaller being ideal for general grading and levelling work, whilst the larger are used to remove even the slightest undulations when used correctly. All models are supplied complete with handle ready to use.

28" Flip Over

- General purpose heavy duty double sided 'flip-over' design.
- Flat side for levelling and sharp side for aggressive preparation work.
- Weight: 6.30kg

Code	Description	Price
30280	20" Flip over	£99.00

30280

36" (92cm) Levelawn 'Greenkeeper B'

- Very lightweight, slightly flexible design, it follows minor ground contours without scarring. Ideal for most ongoing general work.
- Weight: 6.30kg

Code	Description	Price
30360	36" (92cm) Levelawn 'Greenkeeper B'	£99.00

30360

40" De-Luxe Lute

- Very robust lute ideal for most finishing work. Strong box section construction with extra bracing supports to help maintain stiffness.
- Weight: 4.55kg

Code	Description	Price
30400	40" De-luxe lute	£105.00

30360

Levelawns & Lutes

4ft Superub

- This tool is ideal for finishing large surface areas for the perfect level.
- Constructed from large box section and strongly braced to maintain accuracy.
- Weight: 7.30kg

Code	Price
30480	£135.00

Loop Handle for 4ft Superub

- Weight: 2.55kg

Code	Price
32240	£49.00

30400

30480

Roller Squeegee

Designed to push collected water quickly and effectively. Works equally well on most surfaces. Also ideal for dew removal. A soft sponge core surrounded by a heavy gauge flexible PVC skin to provide superior quality and strength. The old days of soft sponge squeegees falling apart have long gone!

- Weight: 3.90kg

Code	Description	Price
23800	0.6m (24") Wide	£139.00
23810	1m (39") Wide	£159.00

All working parts are non-corrosive

Dew Brush

For fast removal of dew. Supplied in two halves the problems of damage through transportation and storage is minimised greatly. The bracket holding the unit together is easily attached / detached in a matter of seconds. Another unique advantage is that one half of the brush can be used on its own creating a secondary smaller 1.5m (5ft) dew brush if required.

- Weight: 3.75kg

Code	Description	Price
23610	c/w Aluminium Switch Handle 3m Wide (10ft)	£105.00
23600	c/w Standard Handle 3m Wide (10ft)	£94.00

All working parts are non-corrosive

Big Banana Dew Switch

For removal of dew and worm castings from greens and other fine turf. Promotes quicker drying and raising of ground temperature to encourage growth and avoid disease. Aluminium construction with two hand grips and a solid ferrule preventing distortion of the tube end. The replaceable end section is 2.5 metres (8.2 ft) in length, and constructed from high quality fibreglass rod. Overall length when extended is approx 4.5 metres (14.8 ft).

- Weight: 1.00kg

Code	Description	Price
23510	Big banana dew switch	£64.00

Spare Switch Tip

Spare Switch Tip to suit most other dew switches. New reinforced switch tip. Complete with integral buffer stop. The end of our switch handle is constructed from CNC machined solid stainless steel to avoid unnecessary wear to the internal switch tip providing much easier access and use.

Code	Description	Price
23517	Spare switch tip	£7.75

Spare End Section

Spare End Section, to suit big banana

Code	Price
23515	£9.99

Bowcom Bowdry Ultimate Water Remover

- Removes standing water rapidly
- Effective on any surface outdoors or indoors
- Foam absorbent sponge encompasses a 75 litre tank wheel
- Water discharged through side valve with four support wheels at rear
- Foam width 750mm (replacement foam available see 0982)
- Unladen weight only 10 kilos. Easy to handle and manoeuvre

Code	Description	Price
0980	Ultimate water remover	£635.00

Bowcom Bowdry Replacement Foam

- Aftersales reconditioning component
- Easy to fit replacement foam
- Complete with adhesive fittings for DIY exchange
- Foam width 750mm

Code	Description	Price
0982	Replacement foam	£80.00

IMPORTANT - When ordering, please state whether your machine is shafted or un-shafted.

Bowcom Bowdry Drum Exchange

- Factory fitted replacement foam and drum complete
- Avoids uncertainty of DIY fitting!
- Price includes exchange drum collection and re-delivery

Code	Description	Price
0984	Drum exchange	£140.00

0980

Bowdry Storage Bag

Made from tough, heavy duty vinyl, with all-round zip and carry handles. Ideal for protecting against accidental foam tear, both during the off-season and when in regular use.

The fully closed zip-top keeps the machine clean & is also shower proof, whilst the handles allow the machine to be stored over-head.

Code	Price
0981	£120.00

A key service provided by Huck Nets is the manufacture, supply and installation of indoor sports hall and cricket ground net facilities.

- Full supply and installation service
- Experienced installation technicians
- Free site surveys and quotations
- New design and facility lay-out advice
- Servicing department offers service check visits
- New projects or replacement equipment
- Renovation service for existing installations
- All materials to BS Standards
- Lighting [lux ratings] advice available

Whether it is a new installation or refurbishment of an existing netting system we can provide you with everything you need for the project. Our specialist installation technicians will survey, design, cost and manage the complete project for you. With over 30 years of successful installations behind us you can be assured that your project will be in safe hands...

Whilst our speciality is cricket, we also provide facilities and equipment for basketball, netball, indoor hockey and football amongst others, enabling multi-sports projects to be completed under one contract. By handling projects of all types and sizes we have gained a high level of practical knowledge and skills.

*We have installations UK & Worldwide.
Our many satisfied clients are a testament to our reputation...*

Netting installation

All types of netting installation can be undertaken including designing and installing ball stop protective netting to suit your particular site (both indoor and outdoor), erecting cricket cages, divider netting for sports fields and sports halls.

Every installation is different - that is why every installation is tailored to meet your specific requirements

We recognise that every installation is different, that is why every installation is tailored to meet your specific requirements. whether it is a new installation or refurbishment of an existing netting system we can provide you with everything you need for the project. Our specialist installation technicians will survey, design, cost and manage the complete project for you. With over 30 years of successful installations behind us you can be assured that your project will be in safe hands.

We also have facilities and equipment for football, basketball, netball, hockey and golf amongst others, enabling multi-sports projects to be completed under one contract. By handling projects of all types and sizes we have gained a high level of practical knowledge and skills.

Our aim is to provide a value for money service which ensures total customer satisfaction and provides an installation of which both the customer and Huck Nets can be justifiably proud. We work to high specifications, utilising the most modern materials fitted by experts, and provide professional, highly experienced advice throughout and after installation.

Conditions of Sale

We offer goods and accept orders only upon and subject to the following terms and conditions which shall form part of any Contract concluded between us to the exclusion of any other terms and conditions except as specified on the face of our acceptance of an order or as otherwise agreed in writing.

Within these conditions 'us,' 'we' and 'The Company' shall refer to Huck Nets (UK) Limited.

1. General

1.1 All offers of our goods are subject to the following:

1.1.1 Our acceptance within 30 days after the date of your order.

1.1.2 Availability of the goods at the date of receipt of your written order.

1.1.3 Our right to correct errors and omissions in our catalogue or offer within 7 days of receiving your written order.

1.2 Your order must be for goods offered by us. Drawings, dimensions and weights submitted must be taken as approximate only and do not form part of the contract unless so stated in our catalogue or offer document.

1.3 All extras and accessories ordered but not specified in our catalogue or offer document will be charged separately, as will the costs of test, alterations and other work undertaken at the Buyers request.

1.4 Special conditions attached to orders are not binding unless accepted by the Company in writing. Any special conditions so accepted apply only to the transaction concerned unless otherwise expressly agreed in writing.

1.5 These conditions shall not be varied unless agreed in writing by one of the Company's directors.

1.6 The Company's employees or agents are not authorised to make any representations concerning goods unless confirmed in writing by one of the Company's directors.

2. Guarantee

2.1 We warrant that the goods will at the time of delivery correspond to the description given by us. Except where the Buyer is dealing as a consumer all other warranties, conditions or terms relating to fitness for purpose, quality or condition of the goods and whether implied by statute or common law or otherwise are excluded.

2.2 The guarantee contained in this condition does not affect the buyer's statutory rights.

3. Changes in specification

3.1 We reserve the right to change at any time and without notice the materials, dimensions of design of the goods so long as such change does not materially affect their performance and such changes shall not affect the validity of any Contract between us and the Buyer.

4. Prices

4.1 Unless otherwise stated, all prices quoted are for goods ex our works. Packing and carriage costs will be charged as extras to the Buyers account.

4.2 All prices quoted are subject to alteration without notice to take account of fluctuations or of alterations in Import Duty or Exchange Rates which may occur between the publication of our catalogue, the date of our offer and the date of our invoice and of any alteration in the rate of Value Added Tax.

4.3 We shall be entitled to adjust the price to take into account any delay on the part of the Buyer in supplying information required to complete his order or of any alterations made by the Buyer to specification or other information by the Buyer.

4.4 Where applicable Value Added Tax will be added to the prices determined in accordance with this condition and will be payable by the Buyer.

5. Payment

5.1 The Company shall be entitled to invoice the Buyer for the price of the goods on or at any time after delivery of the goods or if the Buyer is to collect the goods at any time after the Company has notified the Buyer that the goods are ready for collection.

5.2 The Buyer shall pay the price of goods without deduction within 30 days of the Company's invoice (time being of the essence) notwithstanding that delivery may not have taken place and property in the goods has not been passed to the Buyer.

5.3 If the Buyer fails to make payment in accordance with this clause the Company shall be entitled to cancel the contract by written notice to the Buyer or to suspend further deliveries to the Buyer or to charge the Buyer interest on monies unpaid at the rate of 3% per annum above Lloyds TSB Bank Plc base rate from time to time until payment in full is made.

6. Time for delivery

6.1 Dates quoted for delivery of goods are approximate only, and the Company shall not be liable for any delay in delivery however caused. Time for delivery shall not be of the essence unless previously agreed in writing in accordance with clause 1.5. Time for delivery is to be computed from the date on which both the following conditions are satisfied.

6.1.1. We have received a written Order or Contract from the Buyer and

6.1.2. We have in our possession all the information we require to complete the Buyers order.

6.2 We will use our best endeavours to comply with our quoted delivery dates but we will not be liable for any loss, damage, injury or expenses either direct or indirect and including but not limited to loss of profits or liability to third parties which may be suffered by the Buyer by reason of late delivery of the goods from whatsoever cause such late delivery may arise.

7. Delivery

7.1 Goods sold "ex works" will be despatched in accordance with the Buyers instructions and the risk of such goods will pass to the Buyer from time of loading at our Works.

7.2 Goods sold "delivered" will be despatched by whatever means of transport we choose unless a specific method of transport has previously been agreed in writing. The risk of the goods will pass to the Buyer when they reach the destination named by the Buyer and before unloading.

7.3 Ownership of goods sold by us shall not pass to the Buyer until the Company has received in cash or cleared funds payment in full of the price of goods until such property passes to the Buyer, the Buyer shall hold goods as the Company's fiduciary agent and bailee and shall keep goods separate from those of the Buyer and properly stored, protected, insured and identified as the Company's property. Until ownership passes the Buyer shall be entitled to resell or use goods but shall account to the Company for the proceeds of sale of goods (including insurance proceeds) and such proceeds shall be kept separate from other monies or property of the Buyer.

7.4 Until such property in goods passes to the Buyer the Company shall be entitled at any time to require the Buyer to deliver up goods to the Company and if the Buyer fails to do so forthwith on demand to enter upon the Buyer's premises or a third party's premises where the goods are stored and repossess the goods.

8. Copyright

The Company reserves the Copyright in all its drawings, sketches, plans, print and other documents or data. No reproduction thereof shall be made without permission of the Company and neither the drawings nor reproduction thereof shall be transferred to a third party without the permission of the Company.

9. Loss or damage in transit

We accept no liability for loss or damage in transit except in the case of goods sold "delivered" and in such case our responsibility will be limited to replacing or repairing the missing or damaged goods, or at our option, refunding the purchase price. In any event no claim will be considered unless both the carriers and ourselves are notified in writing within the following time limits:

9.1 Goods by Rail. In the case of damaged goods within 3 days after receipt and in the case of non-delivery within 21 days after date of despatch as notified by us.

9.2 Goods by Road Transport. In the case of damaged goods, immediately on receipt, and in the case of non-delivery, within 7 days after date of despatch as notified by us.

10. Trade marks

No trademark or name carried on goods supplied by us may be erased or replaced without our consent.

11. Insolvency of buyer

11.1 This clause applies if:

11.1.1 the Buyer makes any voluntary arrangement with its creditors or becomes subject to an administration order or (being an individual or firm) becomes bankrupt or (being a company) goes into liquidation (otherwise than for the purpose of amalgamation or reconstruction); or

11.1.2 an encumbrancer takes possession or a receiver is appointed of any of the property or assets of the Buyer; or

11.1.3 the Buyer ceases or threatens to cease to carry on business; or

11.1.4 the Company reasonably apprehends that any of the events mentioned above is about to occur in relation to the Buyer and notifies the Buyer accordingly.

11.2 If this clause applies then without prejudice to any other right or remedy available to the Company the Company shall be entitled to cancel the Contract or suspend any further deliveries under the contract without any liability to the Buyer and if the Goods have been delivered but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.

12. Liability

12.1 The Company shall not be liable to the Buyer or be deemed to be in breach of any obligation by reason of any delay or failure in performing any obligations in relation to the goods if delay or failure was due to any cause beyond the Company's reasonable control and without prejudice to the generality of the foregoing the following shall be regarded as such causes.

12.1.1 Act of God, explosion, flood, tempest, fire or accident

12.1.2 War or threat of war, sabotage insurrection, civil disturbance or requisition.

12.1.3 Acts, restrictions, bye-laws, prohibitions or measures of any kind on the part of any governmental, parliamentary or local authority.

12.1.4 Import or export regulations, embargoes, strikes, lock-outs or other industrial actions or trade disputes (whether involving employees of the Company or of a third party).

13 Import licences

Where applicable the Seller will be responsible for obtaining an import licence and for ensuring compliance with all regulation governing the admission of the goods into the country for delivery.

14 Governing law

Any contract between us and the Buyer shall be governed in all respects by the Laws of England.

The Buyer shall submit to a jurisdiction of the English Courts.

15 Notices

Where a notice is required to be served on us by the Buyer, or on the Buyer by us such notice must be served in writing. Any notice to us shall be sent to us at our Registered Office and any notice to the Buyer shall be sent to the Buyer at the address given by the Buyer in his order or acceptance of our offer. Where in these Conditions a period is specified within which notice is to be given such notice must reach the party to which it is addressed within that period.

16 Forbearance

No forbearance or indulgence by the Seller shown or granted to the Buyer whatsoever in respect of these Terms or otherwise shall in any way affect or prejudice the rights of the Seller or to be taken as a waiver of any of these terms.

Leasing (Lease Purchase)

In conjunction with Kennet Equipment Leasing we are pleased to offer lease purchase plans for items valued at £1000 or more.

Benefits include:

- Immediate acquisition of equipment
- Competitive interest rate
- Conserves working capital
