

## Beoview 7

Hands free 7" colour IP  
monitor

**Beoview 7:** a sleek, stylish IP monitor of superior quality, manufactured in ABS RAL9005 black colour with anodised aluminium sides. A 7" monitor with TFT LCD screen with "iPus" technology.

With this feature packed IP video intercom all actions are instantaneous. A peer to peer solution that can run without a server or computer on the network. With its multi-channel capability there will be no more busy signals on the system.

133 High Road, New Southgate,
