GX992.1B Glass to wall Hinge

GX992.2 180° Glass to Glass Hinge

GX992.3 135° Glass to Glass Hinge

GX992.4 90° Glass to Glass Hinge

GX992 (Polished or Satin Chrome)

10 - 12mm glass:

using 2 hinges 37kg / 800mm
using 3 hinges 55kg / 900mm

GX992.1
Glass to Wall Hinge

G-TECH Hinge System

Manufactured from Solid Stainless steel 25mm bar Ø (grade 304) with contemporary satin finish. Whilst these hinges are not self-centering there are matching magnetic catches and connectors available (see web site for more details). The matching knob set is KB3040. All hinge pins and clamping screws are Stainless Steel and the gaskets supplied are water impenetrable.

G-TECH for 8mm, 10mm, 12mm glass
 Maximum door weight / width using 2 hinges
 - 40kg / 800mm, using 3 hinges - 55kg / 950mm.

GX512.2 180° Glass to Glass Hinge

GX512.4 90° Glass to Glass Hinge

GX512.1S 90° Glass Door Hinge

SERIES 54 Hinge System

Manufactured by leading brand Sadev, this Polished Chrome range of hinges offers a countersunk inner button giving a flush inner door and panel which looks great and aids cleaning. The wall mounting plates of both the hinges and clamps are fixed outside the shower enclosure and have clip on cover plates. The Series 54 hinges are not self-centering and require magnetic seals. All hinge pins and clamping screws are Stainless Steel and the gaskets supplied are water impenetrable.

Series 54 Hinge for 8mm & 10mm glass. Maximum door weight / width using 2 hinges 50kg / 900mm

540006 Glass to Wall Hinge

540001 180° Glass to Glass Hinge

Support Bars

Our reinforcement support bars are recommended for the stability of fixed glass panels. All tubular bars, connectors and supports are manufactured from grade 304 Stainless Steel and are available in Polished or Satin finishes. No drilling is required in the glass (except RB1220C). All components are suitable for 6mm, 8mm, 10mm and 12mm glass.

RB1235 Adjustable Corner Support

Support Bar Kit – inc RB1210 wall mount, RB304 1200mm rail, RB1220B end support.

RB304 Reinforcement Bar – 1200mm and 3000mm x 19mm

RB1210 Wall Support

RB1214 Door Stop

RB1220A Cross Support with 360° Swivel

RB1220C Through Glass Connector

RB1220B End Support with 360° Swivel

RB1211A Intermediate Support with 360° Swivel

RB1221 Reinforcement Bar Connector

RB1233 3 Way Connector

RB1213 Vertical Connector

RB1230A Wall Support 20° Angle

RB1230B Wall Support 45° Angle

GX Glass Clamps

Our GX glass clamps for fixed panels are manufactured from grade 304 Stainless Steel. They come complete with Stainless Steel clamping screws and water impenetrable gaskets. They are available in two finishes Polished or Satin Stainless Steel and are designed to complement the GX hinge systems. The G Tech and 54 series hinge systems have their own matching clamps. Shelf clamps are also available please visit web site for full details.

Magnetic 90° or 180° Layout Shower Seal

Frameless Glass Door Seals

The CCE range of glass sealing profiles opens up a whole new way to provide adequate seals to a frameless glass door operation. With seals that fit around the sides and tops of the door you know you can achieve a very aesthetically pleasing outcome.

For fixed partitions there are very neat minimalist profiles for fixing glass to glass or glass to wall, ceiling or floor. Currently we offer these profiles for 10mm and 12mm glass only. We also have a growing range of glass seals which are applied with 3M adhesive tape for minimum visual impact.
