* Some styles may be supplied in split case quantities.

CLEANROOM CLOTHING

Face Masks & Mob Caps

Contamination from the mouth area poses an immense risk to products being manufactured. Face masks greatly reduce harmful contamination and CES offers a choice of styles in different fixings to meet the technical demands and wearer comfort criteria. Many are available sterile for aseptic areas.

Mob caps are a cost effective method of covering hair and can be worn under hoods.

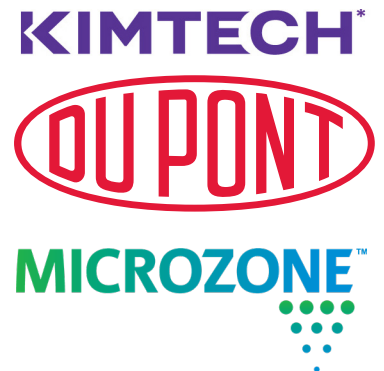

Part Number	Description	Fixing	Sterile	Size	Pack Size*
