

Academy of Beauty Training – FREE New Build 5* Accommodation with all courses booked

The Academy of Beauty Training delivers what we believe to be the PREMIER training in the UK, Ireland, Europe and Worldwide.
We offer International Accredited Courses (Level 4) Qualifications for Laser & IPL

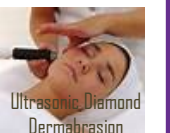

The delivery of all our courses is carried out to a very high standard by highly qualified lecturers.

Our 34 training courses are accredited and recognised by CIBTAC, BABTAC and Leading industry Insurance Companies.

Your Academy of Beauty Training Certificates are awarded on successful completion of your course which will enable you to gain insurance and to commence work legally in the public sector.

We will also provide you with all your documents including: client consultation & Medical history forms, client consent forms client consent forms for 'patch test, client treatment log book forms, client evaluation forms, aftercare advice sheets, doctors letter for client referral & treatment drugs list.

Price list guides for all treatments. Health & Safety. Before & after photos and most importantly your medical treatment protocols for all treatments. All our courses are CIBTAC & BABTAC (Level 2, 3 & 4) Qualifications.

The 'Academy of Beauty Training' was set up to offer salons and clinics both advanced specialist training and/or systems. We have proved such a success because of the theoretical and practical training offered on our range of laser and other specialist treatments and because we understand the concerns, dreams and aspirations of proprietors of salons and clinics.

Also the unleashing of your full earning potential by offering these specialist treatments to your clients past, present and future will make your salon stand out from the crowd. You can turn your business into the success story you have always dreamed of.

Our specialist training advanced training also includes (Level 4) laser and IPL courses delivered by lecturers who are friendly and courteous. All our specialist courses are designed to be learner centred, exciting and innovative and guarantee you an exceptionally high standard of training, enabling you to gain the confidence needed to perform these specialist treatments within your clinic/salon.

Only by doing this will you achieve the high standard of skills necessary to offer a professional service to your clients with complete confidence. This will set you above the rest of the competition.

Train with the Beat – Established 9 years.
