Finishes

All evolution® reception desks are available as standard, finished in a choice of matt plain colour or woodgrain laminates with matching PVC edging.

Zed, **Classic** and **Eclipse** have a flush plinth in A104 Alu Mat laminate.

The glass upstand/s on straight **Zed** and **Classic** desks and the acrylic upstand/s on the curved desks are available in three colours of etch effect film as well as the solid acrylic film colours shown on page 21.

The feature surround on **Light** and **Xpression** can also be specified in a colour matched lacquer finish.

The feature overhanging section on **E•VOKE** can also be specified in a range of **Corian®** finishes as standard. See page 21 for details.

For more information and to discuss any specific bespoke finish requirements, that are not covered as part of our standard package, please call our sales team on **01908 391 600**.

Zed

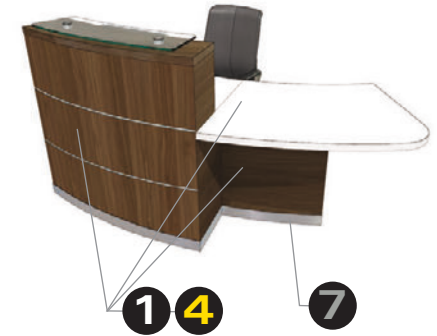

Lettering and graphics on upstand available as an optional extra. See page 21 for details.

Classic

Lettering and graphics on upstand available as an optional extra. See page 21 for details.

Eclipse

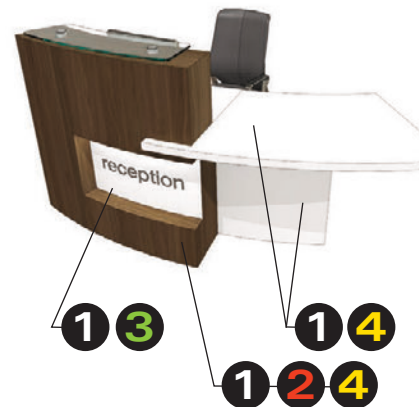

Banding finished in A104 Alu Mat laminate unless otherwise specified. Available in all standard finishes as required.

Light

Lettering and graphics on lightbox fascia available as an optional extra. See page 21 for details.

Xpression

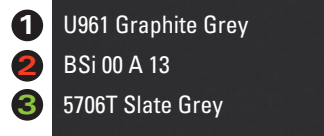

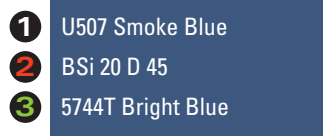

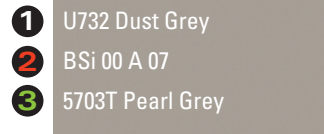

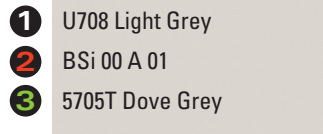

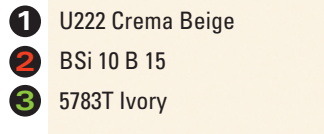

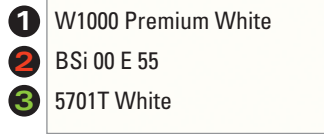

Lettering and graphics on recessed panel available as an optional extra. See page 21 for details.

7 PLINTHS - Laminate - **Zed, Classic & Eclipse**

Plinth finish - flush

Zed, Classic and Eclipse

70mm deep flush plinth finished in A104 Alu Mat laminate as standard. Other finishes available on request.

Corian® as standard

E•VOKE

The feature overhanging section on this desk can be specified in a range of 12 **Corian®** finishes as standard.

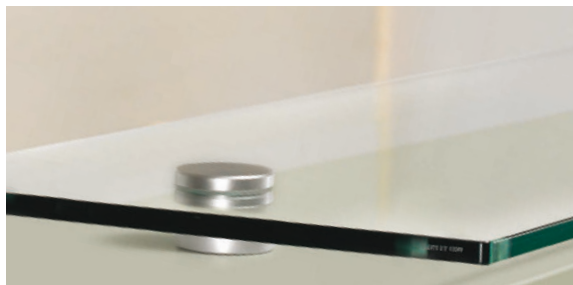

Pedestal

£290

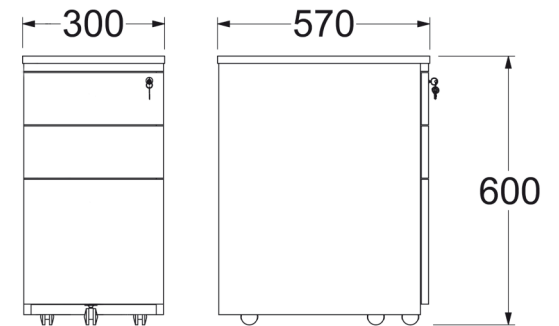

White metal finish to match internal desk faces

Glass counter cap and posts

Eclipse, Light and Xpression

Clear, toughened glass counter cap supported on two 40mm diameter satin anodised aluminium posts.

Plinth options

As an option, a recessed plinth can be incorporated. This can be finished in A104 Alu Mat, or any of the standard laminates.

Using the latest in high efficiency, low power consumption LED ribbon lighting. This option gives a gentle wash of light that can be set to one of a range of static colours or to a colour changing option.

Logos and graphics

Xpression

Logos and graphics can be displayed in the signature LED lit recessed feature panel. For simple text, cut out vinyl is applied to the rear face of a clear acrylic panel, with your choice of one of the 10 standard vinyl colours as a background. For full colour logos, a high resolution digital output is used.

Zed & Classic

Simple lettering or solid graphics can be displayed in your choice of the three standard etch effect films or 10 standard vinyl colours, either cut-out or full colour options available.

Light

Logos and graphics can be displayed on the large lightbox fascia. For simple text, opaque cut out vinyl is applied to the rear face of a clear acrylic panel, with your choice of one of the 10 standard vinyl colours as a back lit, translucent background. For full colour logos a high resolution digital output is used.

E•VOKE

When finished in **Corian®**, the feature overhanging section of this style of desk can display simple lettering or graphics routed out of the solid surface.
