Clarke  Rendall

meeting tables

Clarke Rendall bring a new level of simplicity to specifying for your meeting table requirements.

We've called on over 20 years in bespoke boardroom table design and manufacture to create this range of meeting tables. Highly versatile, with integral technology and cable management as standard, Clarke Rendall meeting tables are available in a range of real wood veneers and woodgrain and plain colour laminates to suit any budget.

Specifying is simple with a range of options available. See page 6 for details.

meeting tables: specifying/ordering guide

Clarke Rendall meeting tables are available in a range of sizes from a 6 to 8 person, 2400mm table up to 4800mm table which will seat up to 16 people. With a 30mm table top thickness and integral cable management trough, they can be specified as either barrel shaped or rectangular and with either rectangular or elliptical bases. See page 10 for details of the real wood veneers and woodgrain and plain colour laminate finishes available on all **Clarke Rendall** meeting tables, credenzas and benching products.

EXAMPLE

credenzas & benching

Keep things simple. Let Clarke Rendall take your chosen style and finish and carry it through to meeting room credenzas, benching and bench seating.

Like our meeting room tables, credenzas and benching are simple to specify and can instantly remove hassle by reducing the number of suppliers you need to deal with on your project. You can be confident that the quality of your ancillary furniture will match that of your tables.

For more information on other items such as media walls, and break out area tables, call our support team on 01908 391600.
