Healthguard® dog-waste bins

Healthguard® dog-waste bins

HGN45

Dog waste bins really work.

That is the opinion of most local authorities and others who install them. Healthguard® dog waste bins are used extensively throughout the UK and have been for nearly 20 years. The Healthguard® range of bins has been developed to satisfy the needs of buyers and users of dog bins.

HGN steel bin

- 45 or 66 litres capacity
- bin: constructed from heavy gauge, zinc coated steel and polyester powder coated
- post: steel, galvanised
- simple sack operation prevents raw waste contamination and speeds cleaning
- bag retainer keeps liner bag neatly inside
- dog logo as shown
- standard colours red and green, other colours available
- wide range of fixing options including **Rootfast®** anchorage
- HGN45 - 45 litres capacity
- HGN66 - 66 litres capacity

Fastlock security

HGN66

- 440mm above ground height
- **Rootfast®** anchored into soft ground or bolt down fixing for concrete

Earth Anchors

stainless steel

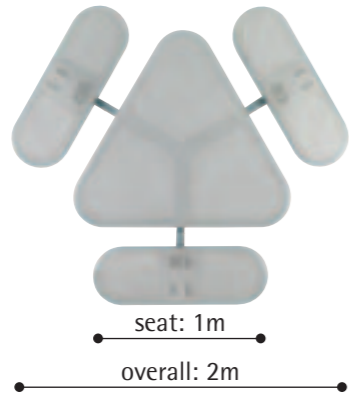

simple solutions

stainless steel

Stainless steel is an ideal material for external furniture. It is attractive, tough, durable and will never rust. Graffiti can be removed without damaging the furniture and even the effects of arson can usually be removed without damage. The overall life cost of stainless steel furniture can be lower than alternative materials.

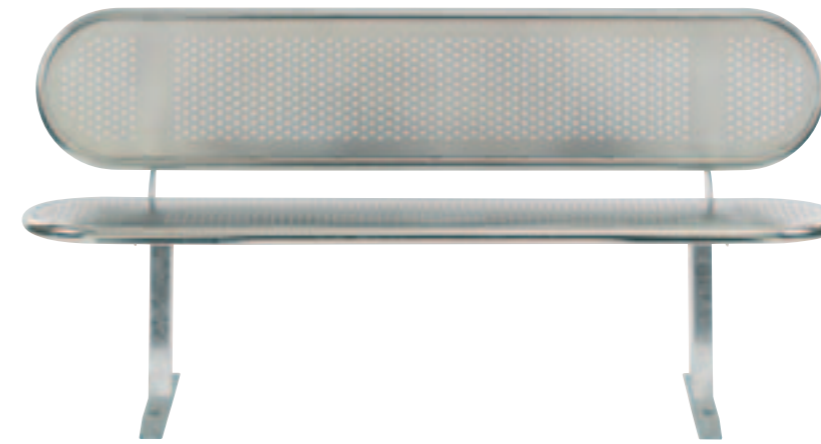

Ranger Tri-Table ●

- easy access
- stainless steel seat pans and table top, galvanised support frames

Rootfast® anchorage system

All Earth Anchors furniture can be permanently secured into soft or unmade ground using our patented Rootfast® anchoring system.

The anchor is installed using a set of reusable tools. You avoid the expense and hassle of digging holes and making concrete. The furniture is secured and ready for immediate use.

- quick and easy installation into soft ground
- cost effective
- permanent fixing
- immediate security and use
- ideal for use in areas where access is restricted
- avoids digging, concrete and removal of excavated material

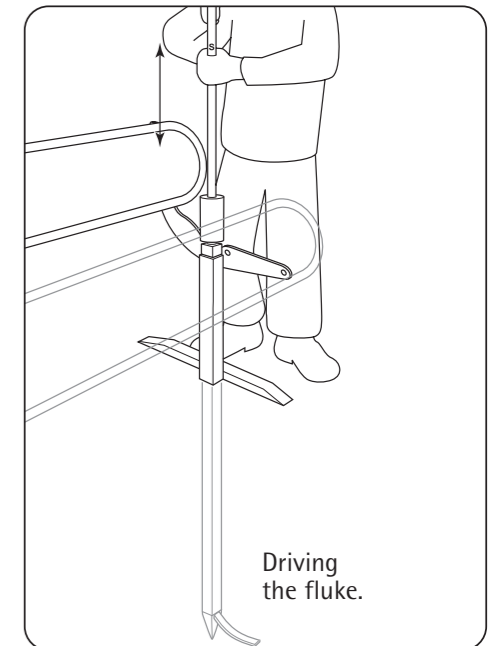

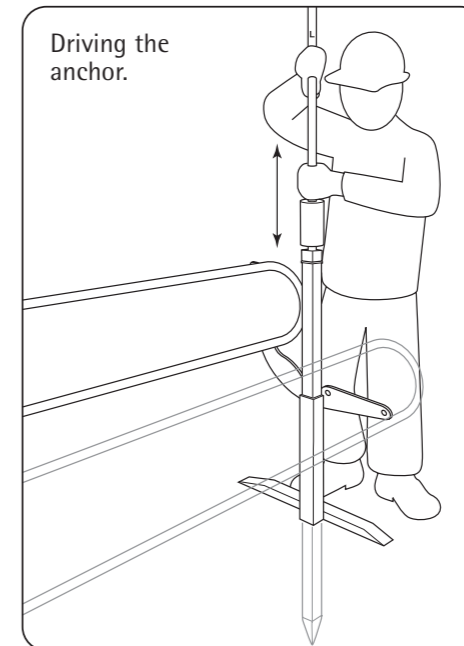

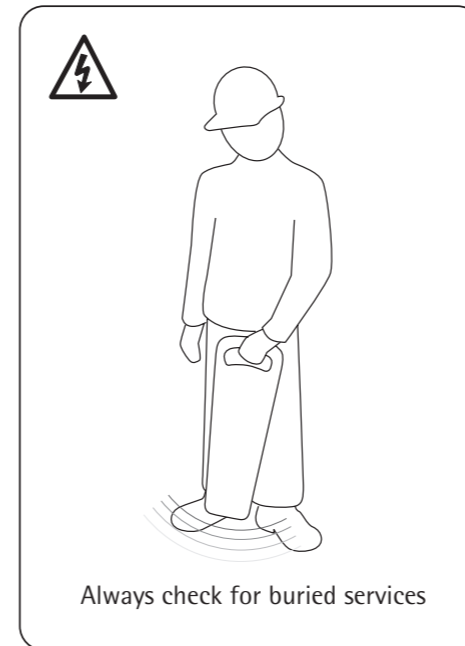

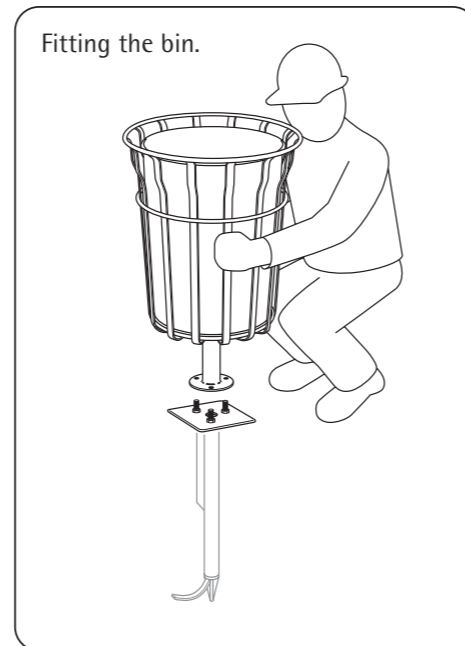

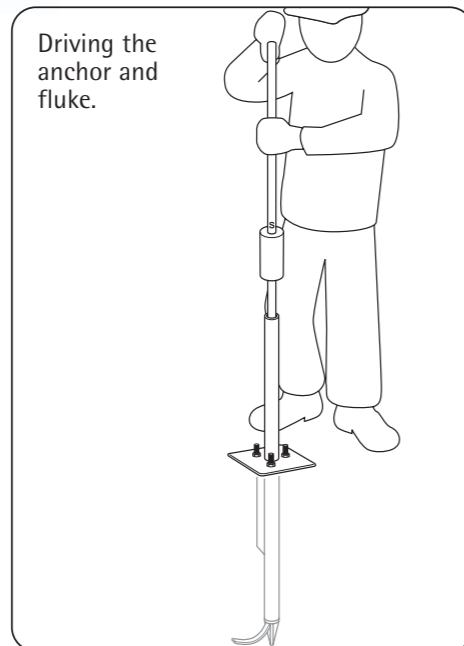

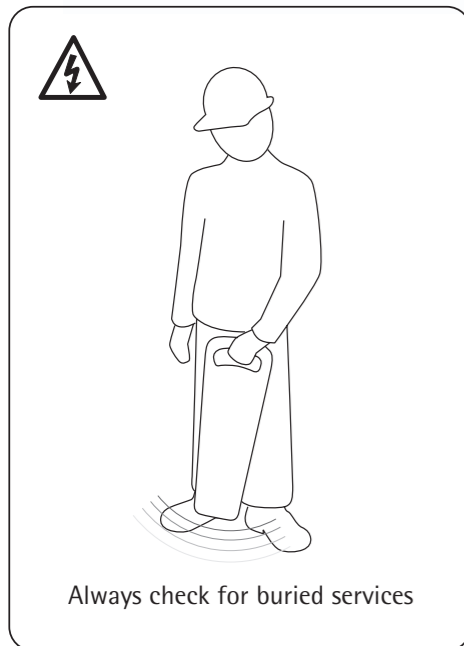

Installation instructions for most products can be downloaded from our website: earth-anchors.com
