

# The New HGN Easy-Chute

New from Earth Anchors. The Easy-Chute - a vandal resistant 45 litre dog waste bin with a chuted lid and drop down front for easy emptying.

The Easy-Chute dog waste bin incorporates a number of useful features:

- Chuted lid prevents unauthorised bag or contents removal

- Drop down front for easy emptying
- Slam-shut locking for quick turnaround
- All steel construction throughout for arson & vandal resistance
- Available with Rootfast® anchored post, wall, railing or lighting column fittings
- Can also be fitted to all existing Earth Anchors' posts and mountings
- Heavy gauge, zinc coated steel & polyester powder coated
- Standard colours red or green, other colours available
