

# Modulo Behind the Mirror System

**With space so often at a premium in a washroom the Modulo system maximises the space available by incorporating all the facilities users need to wash and dry hands in a single position.**

**Saving space, optimising washroom flow and supporting the washroom decor.**

# ABOUT DUDLEY INDUSTRIES

## Dudley Industries, a leading supplier of design led, quality stainless steel washroom equipment.

We specialise in designing and manufacturing quality dispensers for the washroom industry. First established in 1942 we have built up over 77 years of experience in traditional manufacturing processes whilst keeping up to date with new technologies that help deliver quality and efficiency.

Our in-house team of professional designers ensure our ranges are designed to complement the décor in the most prestigious washrooms whilst providing the durability to stand up to the busiest environments.

By selecting a Dudley Industries dispenser you can be confident in the style and quality backed up by a Customer Services team on-hand to help in any way they can.
