ABOUT DUDLEY INDUSTRIES

Dudley Industries, a leading supplier of design led, quality stainless steel washroom equipment.

We specialise in designing and manufacturing quality dispensers for the washroom industry. First established in 1942 we have built up decades of experience in traditional manufacturing processes whilst keeping up to date with new technologies that help deliver quality and efficiency.

Our in-house team of professional designers ensure our ranges are designed to complement the décor in the most prestigious washrooms whilst providing the durability to stand up to the busiest environments.

By selecting a Dudley Industries dispenser you can be confident in the style and quality all backed up by a customer services team who are on-hand to help in anyway they can.

A PRESTIGIOUS, DURABLE WASHROOM SYSTEM

RECESSED RANGE

The recessed range is a sleek and stylish addition to contemporary washrooms. Whilst providing essential washroom services it maintains a seamless look supporting the décor scheme. Utilising the space available in wall cavities, the recessed range maximises the space available in the washroom, avoiding items protruding from walls to help maintain the aesthetic.
