ABOUT DUDLEY INDUSTRIES

Dudley Industries, a leading supplier of design led, quality stainless steel washroom equipment.

We specialise in designing and manufacturing quality dispensers for the washroom industry. First established in 1942 we have built up decades of experience in traditional manufacturing processes whilst keeping up to date with new technologies that help deliver quality and efficiency.

Our in-house team of professional designers ensure our ranges are designed to complement the décor in the most prestigious washrooms whilst providing the durability to stand up to the busiest environments.

By selecting a Dudley Industries dispenser you can be confident in the style and quality all backed up by a customer services team who are on-hand to help in anyway they can.

SUPPORTING MULTI FAITH FACILITIES

WUDU RANGE

With up to 25% of the world's population following the Islam religion, our hygienic, innovative and easy to install Wudu wash station facilitates ablutions away from home. It is ideal for places of prayer or multi-cultural spaces including offices, educational facilities and travel hubs.

WASH STATION

WUDU Wash Station

- Supports ritual ablutions before prayer.
- As WUDU concerns the washing of both hands and feet the unit is easily operated and provides stability when users are washing their feet.
- The opportunity for splashback of water minimised to prevent accidentally splashing clothing.
- Soap holder is centrally positioned so as to not cause interference.
- The water saving tap reduces water usage by up to 80% compared with a conventional tap.
- Hygiene is increased through the hinged foot grate providing easy access for cleaning.
- Incorporates auto shut-off water isolation valve.
