

Health & Social Care:

Our experience in your sector:

Solutions was established in 1994 by Paul Meek (Chartered F.C.I.P.D.) who started his career in the NHS where he was a paramedic tutor with a national role of “training trainers”. Paul has been a contributor to national policy in respect of best practice for moving and handling. With huge experience in training within a wide range of settings he has acted as an adviser to special education, health, and social care sectors since 1994. His qualifications include the “Professional Certificate in advanced theory and practice of manual handling” as well as many others. Paul’s experience guarantees success and a learning experience that will be both highly enjoyable and powerful.

Course Title:

People Moving People **Train the Trainer Update/Refresher** - “Moving & Handling of People”

Ideal for:

Health & Social Care Sector – Existing qualified Moving and Handling trainers who wish to remain confident and competent in their roles and want to develop their existing skills in accordance with best practice.

Duration:

One Day

About the course:

The qualification network recommends that existing qualified trainers attend an update course every 12 months. The purpose of the update is to reinforce and develop its participants existing skills in moving and handling techniques, risk assessments and training delivery. The content of the update is highly learner centred and is flexed to meet the needs of its individual participants. Trainers will be educated on any new or updated regulations to ensure they are always delivering compliant training to others.

Testimonials:

“We have used Solutions to train our trainers since 1998 which speaks for itself”

Turning Point Scotland

“Here in the Hospice movement, we have trained about 200 moving and handling trainers with Solutions since 1996. The feedback is always great”
