Portview Construction employed PDC Consultancy to carry out the mezzanine floor works to the existing JD Sports store. The existing storage floor needed to be removed and a new sales floor installed with customer staircase and stainless steel handrails.

Works under taken in this project:

- Mezzanine floor
 - Access staircases
 - Fire escape staircase
 - Stainless steel handrail
 - Glass infill panels
 - Signage board
 - Mesh AC compound
- Total area** 325 m2
