## LONGTHORPE PRESCHOOL – PE36LU

**SOVEREIGN**  
Bringing Imagination into Play

Longthorpe Preschool contacted Sovereign as they were looking to provide essential shade in the outdoor garden area and create a space for year-round outdoor learning. The school had initially considered an awning but ultimately decided the gazebo was a better solution for their needs, as it doubles as an outdoor classroom.

With prior experience working with Sovereign, the school trusted our team to bring their vision to life. The design, crafted with their needs in mind, was praised as superb, and although installation took place over the summer break, everything went smoothly without issues.

### » FEEDBACK

**What were the reasons for starting your project?**

"We had no shade in the garden. The school wouldn't allow an awning, so it was the best solution and allows an outdoor classroom too."

**How did you discover Sovereign and why did you choose us?**

"We have had your products previously."

**What was your experience of our design and installation process?**

"The design is superb. I believe the installation was good. Due to it being the summer holidays I was not present. No problems were reported to me."

**How has our equipment impacted or benefitted your school/organisation?**

"We are able to use the outdoor area throughout the year now which benefits the children."

**How has our equipment impacted or benefitted your school/organisation?**

"Very good experience and the after care is looking good too."

» "We are very happy with our Sovereign project it has been worthwhile. We hope to have many years of enjoyment from it."
