BRINGING IMAGINATION INTO PLAY

SOVEREIGN

OUTSTANDING PUBLIC OPEN SPACES

YOU'RE IN SAFE HANDS

As one of the largest and most trusted providers of outdoor play, sport and fitness equipment within the UK, we take pride in offering a comprehensive and flexible service that provides Housing Developers with a one-stop shop for all their Public Open Space requirements. From imaginative and adventurous play to outdoor furniture and sports equipment, we have something to suit all solutions, including bespoke designs.

EXTENSIVE KNOWLEDGE

We use our extensive knowledge and expertise of the housing sector to ensure that our products not only provide children with fun-filled co-operative play, but also meet the correct safety standards. We have an innovative R&D team that develop products that directly support, and enhance all areas of outdoor play, while ensuring the highest level of safety is met.

FREE DESIGN & CONSULTATION

A free design and consultation service means that we can discuss your play requirements and provide valuable advice on suitable equipment and surfacing for each POS.

IN-PERSON MEETINGS

With a team of expert Area Sales Consultants across England, Scotland and Wales, we're committed to a personal approach to ensure that we can provide the best playground solution for your development's.

BESPOKE EQUIPMENT TO MEET ALL CHILDREN'S NEEDS

Playtime is for everybody, so when it comes to creating a play environment that is easily accessible to all, Sovereign Play are industry leaders. Our national sales force work closely with our innovative Research and Development department to ensure our range of play equipment for housing developments had been carefully designed to promote inclusion and beat isolation in the playground.

INDUSTRY-LEADING MANUFACTURE, INSTALL AND AFTERCARE

Our equipment is made to order in the UK following our in-depth consultation and design process to guarantee the best value and quality of your playground equipment. Plus, our certified regional teams of playground installers and inspectors are completely up to date on the latest quality control laws as well as safety guidelines that must be adhered to in order to give you peace of mind.

"We have worked with Sovereign on our Public Open Spaces before and always found them easy to work with. From the initial contact with Rick to final completion on site, we found to be an easy process and every step of the way was efficient and professional, we are really happy with the outcome of the site, and I wouldn't hesitate in recommending them."

Sebastian Burgess, Bloor Homes North West

INSPECTIONS, MAINTENANCE & REPORTS

Your play equipment is an investment to the local residents and needs to be maintained to the highest standard in order to prolong its life, value and most importantly safety. For your peace of mind, our Sovereign Compliance Packages offer a complete service for the inspection, reporting and essential maintenance of outdoor play and sport equipment. This gives you complete visibility on the status of your equipment, notifying you early on of any concerns before they become larger issues.

OPERATIONAL INSPECTIONS

Carried out by our RPII (Register of Play Inspectors International) certified inspectors, we will thoroughly assess the condition of your play equipment and the surrounding environment, highlighting any areas of concern. Our inspectors will also review your existing weekly inspection and maintenance records.

MAINTENANCE

All our Inspectors are also fully trained in repairs and maintenance, meaning minor works will be resolved during your inspections. Works including, but not limited to:

- Replacement of caps
- Tightening of any fixtures & fittings
- Minor repairs

Additionally with Sovereign Compliance, we can supply a quotation for third party equipment.

REPORTS

After each inspection you will receive a comprehensive report detailing any concerns, along with suggested next steps. We clearly list all of your covered play equipment and with photos, highlight our findings. Our reports serve as evidence that you have a complete process in place protecting the safety of children around the equipment.

TESTIMONIAL

"Working with Sovereign has been nothing but professional with a great level of support from the start of projects right through to the finish. We have built a fantastic relationship over the last two years and we hope that we can continue this over the coming years!"

Dan Busby West - Senior Premises & Estates Manager (Development)

WHY CHOOSE SOVEREIGN PLAY EQUIPMENT FOR YOUR NEXT PUBLIC OPEN SPACE?

Sovereign has the know-how to create and install an imaginative, stimulating, and safe outdoor play area. Our experience and expertise within the housing sector is second to none, and this is why we're optimally structured to help Housing Developers.

- Meet your objectives: In our initial consultation, we'll establish your primary need and timeframes and work towards meeting those whether it be a LAP, LEAP or NEAP. We can also help in the planning application process.
- From our initial meeting and when the design process has begun our in-house design team will work to get you the proposal back and work with you to make any changes that maybe needed.
- Experienced and efficient: As one of the largest providers of playground developments within the UK housing sector, we've developed the most efficient processes to ensure that collaborating with us demands minimal time and resource from you.
